New pipelines – what to do ? .....	7
Myths .....	7
Glossary .....	8
Guide to collate information for database development .....	9
Modes of failure .....	10

## **ACKNOWLEDGMENTS**

The research in this report emanated from a project funded by the Water Research Commission (WRC) entitled:

### **PRODUCTION OF CORROSION BROCHURE FOR LOCAL AUTHORITIES**

The Steering Committee responsible for this project consisted of the following persons:

Mr J. Bhagwan (WRC)	Mr F.P. Marais (CSIR)
Mrs L.A. Boyd (GJTMC)	Mr U. Nell
Dr G.R. Havenga (WRC)	Mr J.S. Ramotihola (CSIR)
Dr C. Ringas (CSIR)	Mr N.C. Webb (Corrolec)

The financing of the project by the WRC and the contribution of the members of the Steering Committee are gratefully acknowledged.
