Towards productive water use and household food security in South Africa
- 34 **ADVERTORIAL**
Water and nanotechnology
- 36 **WATER KIDZ**
Special day explores link between wetlands and forests
- 38 **LAST WORD**
Excellence in Water Research Awards

THE WATER WHEEL is a two-monthly magazine on water and water research published by the South African Water Research Commission (WRC), a statutory organisation established in 1971 by Act of Parliament. Subscription is free. Material in this publication does not necessarily reflect the considered opinions of the members of the WRC, and may be copied with acknowledgement of source.

Editorial offices:

Water Research Commission, Private Bag X03, Gezina, 0031, Republic of South Africa.

Tel (012) 330-0340. Fax (012) 331-2565.
