

TABLE OF CONTENTS

PHASE 1: LITERATURE REVIEW	1
1. INTRODUCTION	1
2. DEFINING IWRM	4
3. IWRM AND THE SOUTH AFRICAN LEGAL FRAMEWORK (by E. van der Schyff, A. Terblanche and G. Viljoen)	6
3.1 Constitution of the Republic of South Africa, 108 of 1996	7
3.2 National Environmental Management Act, 107 of 1998 (NEMA).....	9
3.3 National Water Act, 36 of 1998 (NWA)	11
3.4 Water Services Act, 108 of 1997 (WSA)	14
3.5 Conclusions	16
3.6 Way forward	17
4. CONCEPT NOTE (by B. Tapela)	18
4.1 International setting of IWRM	18
4.2 South African policy	19
4.3 A synopsis of some key issues	19
5. IWRM, GENDER AND HEALTH (by T. Jacobs)	22
5.1 Water as a human right	23
5.2 Interpretation of this project	23
5.3 Evolution of policy approaches to women and gender in development	24
5.4 Legal and policy framework in South Africa	25
5.5 Understanding key concepts: Gender, sex, women and men in relation to IWRM.....	27
5.6 Principles of IWRM and their gender implications	27
5.7 Practical and strategic gender needs in IWRM	30
5.8 IWRM and health considerations	33
5.9 Conclusions	34
6. IWRM AND WATER REFORM (by S. Braid)	34
6.1 Introduction	34
6.2 IWRM context	35
6.3 Water availability	38
6.4 NWA versus WSA	39
6.5 Water conservation and demand management	41
6.6 Water allocation reform	42
6.7 Conclusions	42
7. IWRM AND GROUNDWATER (by J. Cobbing and R. Murray)	43
7.1 Groundwater: a hidden resource	43
7.2 Legal and administrative background	44
7.3 Technical considerations	45
7.4 Advantages of groundwater in rural areas	45
7.5 Incremental development of groundwater	46
7.6 Groundwater-surface water interaction	47
7.7 Link between improved water supply and poverty alleviation	47
7.8 Discussion	48
7.9 Conclusions	49
8. LAND REFORM (by C. Williams)	50
8.1 Overview of the land-reform programme	50
8.2 Land reform and the opportunities and challenges of IWRM	51
8.3 Water for domestic consumption	52
8.4 Water for household subsistence needs	53
8.5 Water for income-generation purposes	53
8.6 Land reform and IWRM	55
8.7 Conclusions	57

9. LESSONS FROM SELECTED WORLD EXPERIENCES (by S. Braid)	57
9.1 The Canadian experience	57
9.2 Lessons from India	61
10. PRINCIPLES OF CRITERIA AND INDICATORS (by S. Braid, L. Jonker, T. Rayi and A. Squire)	64
10.1 Indicators	64
10.2 Criteria	66
PHASE 2: INDICATORS AND CASE STUDY	71
1. DEVELOPING THE INDICATORS (by S. Braid, L. Jonker, T. Rayi and A. Squire)	71
1.1 A conceptual framework	71
1.2 Developing and categorising the indicators	73
2. THE INDICATORS (by S. Braid, L. Jonker and B. McCarogher)	75
2.1 Introduction	75
2.2 Implementation indicators	75
2.2.5 Good governance	75
2.2.5 Optimal water use	77
2.2.5 Appropriate land use	77
2.2.5 Resource protection	79
2.2.5 Access	81
2.3 Achievement indicators	81
2.3.1 Sustainability	81
2.4 Impact indicators	81
2.4.1 Equity	81
2.5 Challenges in developing the indicators	81
3. CASE STUDY (by S. Braid, B McCarogher, L. Jonker, T. Rayi and A. Squire)	82
3.1 Background	82
3.2 Sources of information	86
3.3 Outcomes of the case study	86
3.3.1 Results	86
3.3.2 Score	87
3.3.3 Municipal meeting	87
3.3.4 Findings of the indicators	88
3.3.5 Findings of the case study	88
3.3.6 Findings of IWRM	88
4. CONCLUSIONS AND RECOMMENDATIONS	89
5. REFERENCES	90
5.1 Legislation referred to in this report	90
5.2 Literature referred to in this report	90
ADDENDUM 1: INDICATOR SCORE SHEETS.....	96
ADDENDUM 2: CASE STUDY INDICATOR SCORE SHEETS	97
